

USAGE: Take 1 capsule per day on an empty stomach prior to the evening meal or as directed by your qualified healthcare professional. For best results, use in conjunction with **QH-absorb®** (ubiquinol).

NOTE: If you have a medical condition (especially diabetes/glucose control problems, gall bladder/bile duct blockages or gallstones, kidney dysfunction or liver disease), are pregnant, lactating, trying to conceive, under the age of 18, or taking medications, consult your healthcare professional before using this product.

Jarrow Formulas® provides clinically-tested **Citrus Bergamot** extract for natural support for healthy cholesterol levels and blood glucose metabolism.* *Citrus bergamia* grows in the Ionic coast of Southern Calabria, Italy. It contains natural polyphenolic antioxidants and free radical scavengers that have been found to influence cholesterol and blood glucose levels.*

Keep out of the reach of children.
