treat, cure, or prevent any disease.

Genestra HMF™ (Human Microflora) Probiotics offer:

- Clinically studied, proprietary strains
- Doctor-recommended for over 20 years
- Research-driven, condition-specific formulas
- Potency guaranteed through expiration

Recommended Dose: In a glass, add 8 oz of water to 1 sachet of HMF™ Replete and mix. Take once daily or as recommended by your health professional. Take 2 hours before or after taking medications or other supplements since the absorption of these products may be delayed. **Warning:** If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use. Caution: If you are immunocompromised, consult your health professional before using probiotic-containing products. **Keep out of the reach of children.** This product was sealed for your protection. Do not use if box or contents are open or damaged. Store under refrigeration (below 46 °F). Contents may not fill package in order to accommodate required labeling. Please rely on stated quantity. Sachets are packaged by weight, not volume. Settling may occur.

*Clinically studied, recommended by
doctors for more than 20 years*
