SUGGESTED USE: Take one capsule with water 30 minutes prior to bedtime.

Botanicals, Magnesium, B Vitamins & More for Occasional Sleep Support[†]

Ideal for short term use, our **Ultimate Sleep Formula** is a 4-part vitamin, mineral, amino acid, herbal combination to encourage restful sleep.[†] Included are two B vitamins that have key roles in the production of adrenal hormones and essential neurotransmitters that regulate sleep patterns.[†] Magnesium aids in calming the nerves and relaxing the muscles, which in turn can help individuals fall asleep.[†] GABA is an amino acid that calms an over-excited brain, and L-Theanine, also an amino acid, supports the brain's production of relaxing alpha waves.[†] Lastly, four traditional botanicals are included — chamomile, passion flower, hops, and lemon balm — long used to support relaxation and healthy sleep.[†]

CONTAINS NO artificial colors, flavors or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish.

SGS verified the process for manufacturing this product with no GMO ingredients. www.sgs.com/no-gmo
