

SUPPORTS MOOD BALANCE

SUPPORTS SEROTONIN PRODUCTION

M

SUPPORTS DAILY CALM

Combining the two raw building blocks of serotonin, L-tryptophan and 5-HTP, with a converting catalyst, vitamin B6, New MOOD⁹ provides the nutrients to help the body optimize serotonin levels.¹

Suggested Use: Adults, as a dietary supplement, take two capsules in the evening prior to sleep. A serving of two capsules may be taken during the day for occasional stress or sleep support.* Do not exceed six capsules in any 24-hour period.

Consult a medical doctor before taking this or any other nutritional supplement if you are pregnant, nursing, have or suspect a medical condition, or are taking any medications. Store in a cool, dry place.
