**SUGGESTED USAGE:** As a dietary supplement, take 1/2 level teaspoon 1 to 2 times daily in juice or water. Consider taking these other NOW® products: Mangoni™, Pycnogenol® and Tru-C BioComplex™. The Acai content of this 3 oz. bottle of concentrated powder is equivalent to 23 fl. oz. of Fresh Acai Juice.

**NOW® Acai delivers the natural nutrient profile found in Genuine Whole Foods.**

Acai Berries, indigenous to Brazil, are one of the planet's most remarkable and nutritious fruits. They naturally have phytonutrients like polyphenols, including ellagic acid, rutin, anthocyanins, and catechins. These free radical quenchers contribute to the protection of tissues from oxidative stress, a key element of healthy aging. The nutrients and free radical scavengers in Acai also help support a healthy immune response and a proper defense against biological stress.\* NOW uses only solvent-free, freeze-dried Acai Berries to better preserve the integrity of the nutrients present in fresh Acai.

**Caution:** For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
