V1

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (especially anticonvulsants), or have a medical condition. This product may cause digestive upset in some sensitive individuals. If you experience any gastrointestinal discomfort after using this product, discontinue use. Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USAGE: As a dietary supplement, take 1 capsule daily. Pterostilbene is a naturally occurring polyphenol that is closely related to Resveratrol and has a similar biological activity. Pterostilbene, however, is more readily absorbed and utilized by the body. Emerging research suggests that Pterostilbene may support cardiovascular health, may help to maintain proper cell cycle regulation, and can promote a healthy response to cellular stress. NOW uses all-*trans* Pterostilbene, which has been clinically evaluated for its superior bioavailability, plus 250 mg *trans*-Resveratrol is added as a natural complement to Pterostilbene's metabolic activities.*

pTeroPure®

A Dietary Supplement
Vegetarian/Vegan
