Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

Do Not Eat Freshness Packet. Keep in Bottle.

SUGGESTED USAGE: As a dietary supplement, take 1 capsule daily. Consider taking these other NOW® products: Tru-C BioComplex™, Antioxidant Caps and Pomegranol™.

NOW® Pine Bark Extract is naturally derived from the inner bark of Chinese Red Pine (*Pinus massoniana*), a significant tree species of the subtropical forests in China. It is prized for its powerful free radical-scavenging polyphenolic flavonoid constituents, oligomeric proanthocyanidins (OPCs). In addition, scientific studies indicate that *P. massoniana* Bark Extract may help to support healthy cellular growth and reproduction. Green Tea Extract with EGCG has been included in this product for its flavonol content to complement the oxidant neutralizing and cell protecting effects of Pine Bark Extract.*
