CHILDREN'S EYE HEALTH GUMMY CHEWS

Meeting children's nutritional needs is no simple task. Between picky eating habits and a dramatic increase in screen time, many children are not getting enough of the nutrients they need to support their developing eyes and brains, or to protect against the damaging blue light from digital devices. Until now. Children's Eye Health Gummy Chews combines the purity and potency of our award-winning omega-3 fish oil with research-backed carotenoids lutein and zeaxanthin in each great-tasting gummy.*

Certified Sustainable

Superior Absorption

No Fishy Aftertaste

At Nordic Naturals we make all our fish oils using fresh, wild-caught fish to deliver triglyceride-form omega-3s for better results. Certified sustainable and always surpassing the strictest purity standards, our award-winning fish oils embody our commitment to the health of people and our oceans.

SUGGESTED USE: For ages 2-12 years, one gummy daily, or as directed by your health care professional. Chew and enjoy!

Supplement Facts

Table with 4 columns: Amount Per Serving, %DV*, %DV**, and %DV***. Rows include Calories, Total Fat, Total Carbohydrate, Sodium, Lutein, Zeaxanthin, Total Omega-3s, EPA, and DHA.
