

PRENATAL DHA

Research shows that healthy DHA levels in mothers during pregnancy and lactation support optimal brain and visual development in babies.* Prenatal DHA also provides mood support for mothers before, during, and after pregnancy in small, easy-to-swallow soft gels.*

Certified Sustainable | Superior Absorption | No Fishy Aftertaste

SUGGESTED USE: Two soft gels daily, with food, or as directed by your health care professional.

Store in a cool, dry place, away from sunlight. Do not take if tamper-evident seal is broken or missing. Keep out of reach of children.

Warning: Consult with your physician before taking this product if you have a known medical condition, are taking medications (including blood thinners), or if you are allergic to iodine.
