

USAGE: Take 1 tablet per day with food or juice or as directed by your qualified healthcare professional.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition; if adverse reactions occur, discontinue use.

Jarrow Formulas® Resveratrol Synergy® brings together resveratrol (3,4',5-trihydroxystilbene) and other naturally-occurring phenolic antioxidant compounds to support the body's endogenous antioxidant network and supports the cardiovascular system.* Pterostilbene (Silbinol®), also known as dimethylresveratrol, is a naturally-occurring, methylated form of resveratrol. Methylation greatly improves intestinal and cellular uptake of this important phytochemical while reducing excessive liver clearance.*

Keep out of the reach of children.

Store in a cool, dry place.
