

REGAINS contains 7 powerful, scientifically-backed ingredients that help support the body's natural production of human growth hormone (HGH). Higher levels of HGH are associated with increased lean muscle mass, decreased body fat, strong bones/joints, increased energy/endurance, increased metabolism, and fast recovery.

SUGGESTED USE: 2 capsules daily with 8 ounces of water on an empty stomach or as directed by a healthcare professional. For best results, avoid eating 2 hours before and after use.

CAUTION: Do not exceed recommended dose. Pregnant or nursing mothers, children under 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement. This product is manufactured and packaged in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Made with only the highest quality, non-GMO ingredients sourced from a cGMP facility in the USA.
