

Quality • Purity • Potency

Paradise products have won 9 Best of Supplements Awards. We are dedicated to sourcing premium ultra pure ingredients that meet the highest standards of excellence.*

Paradise Q-VEG™ is an advanced liquid emulsified enhanced absorption CoQ10. Research shows our base formula CoQ10 is far more bioavailable than other forms. Our exclusive VFresh™ system locks in purity and potency within each vegetarian capsule by using chlorophyll light barrier and nitrogen blanket technology. This assures the most consistent and fresh product available by significantly reducing oxidative degradation (oxygen damage). CoQ10 is an antioxidant essential to cellular energy production and is involved in maintaining normal heart, cardiovascular and immune function.*

WARNING: Keep in a cool dry place, out of the reach of children. If pregnant, nursing, or using any prescription medication consult your health care professional before using this product.
