

Naturatrol™ is a proprietary blend of herbs and minerals. Some of its ingredients have been used traditionally by tribes in the Amazon, hunters in Africa and Chinese medicine men, among others, to assist in regulating blood sugar levels and suppress appetite.

INDICATIONS: This product may reduce blood sugar levels. Individuals with hypoglycemia or diabetes should consult their physician before using this product.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease. As with any dietary product, nursing or pregnant women should consult with their physician prior to using this product.
