

Quality • Purity • Potency

Paradise products have won over a decade of Best of Supplements Awards. We are dedicated to sourcing premium ultra pure ingredients that meet the highest standards of excellence.

L-Carnosine is a proton buffering neuropeptide consisting of alanine and histidine (beta-alanyl-L-histidine). It is normally found in the brain, innervated tissues, the lens of the eye and skeletal muscle tissue. L-Carnosine has heavy metal, free radical and active sugar molecule scavenging activity.*

WARNING: Keep in a cool dry place, out of the reach of children. If pregnant, nursing, or using any prescription medication consult your health care professional before using this product.
