Paradise products have won over a decade of Best of Supplements Awards. We are dedicated to sourcing premium ultra pure ingredients that meet the highest standards of excellence. Paradise OptiMSM™ is the original patented, licensed and tested MSM backed by over 20 years of research. It is the form used by Dr. Stanely W. Jacob, M.D. in his work with over 13,000 patients.

MSM (Methylsulfonylmethane) is a naturally occurring organic sulfur compound that is found in the body's muscles, nerves, tissue, skin, hair, bones and joints. Dietary supplementation of MSM helps support the creation of new cells and connective tissue and helps promote healthy skin, hair, muscles, and flexible joints.*
