Perfect Food® RAW is a RAW, organic, whole food nutrition supplement providing naturally occurring antioxidants, enzymes, amino acids, essential fatty acids, and dozens of phytonutrients. Bursting with prebiotics, probiotics, and enzymes to support healthy digestion and nutrient absorption, **Perfect Food® RAW** is the convenient and delicious way to get your veggie juice every day.

Young cereal grass juices (gluten-free) such as Barley, Alfalfa, Oat, Wheat, and Kamut are some of the most nutrient-dense foods on the planet. The green juices in **Perfect Food® RAW** are grown organically, harvested at their nutritional peak, immediately juiced and dried at low temperatures. The RAW, organic cereal grass juice powders contained in **Perfect Food® RAW** are loaded with chlorophyll and trace minerals for energy and support of already healthy blood sugar levels.¹ The vegetable juices are freeze-dried using a gentle process that maintains nutrient potency as well as fresh, delicious taste.

Feed your body the RAW nutrients from over 35 organic greens, sprouts and veggies every day in the time it normally takes to plug in a juicer, all with no hassle or messy clean up.

Your decision to purchase organic is not only an investment in your health, but in the health of the planet for generations to come.
