Suggested Use: For maintenance, take 1 capsule orally per day and increase to 2 capsules per day as needed or take as directed by your qualified healthcare professional.

fem-dophilus® contains two patented and clinically documented probiotic strains, *Lactobacillus rhamnosus*, GR-1® and *Lactobacillus reuteri*, RC-14®, discovered and developed by Dr. Gregor Reid and Dr. Andrew Bruce at Urex Biotech. Over 20 years of research supports the oral use of GR-1® and RC-14® to colonize and protect the vaginal tract.*

Clinical trials have shown that GR-1® and RC-14®:

- Help to maintain or restore healthy vaginal flora that are important in maintaining vaginal health*
- Support the health of the urinary tract*

Keep out of the reach of children.
