Diet Start Max is a 14-day, 2-part lipo flush and colon cleanse designed to jumpstart your weight loss program and enhance metabolism.*

Diet Start I: Lipo Flush Formula is a natural formula made with Svetol® that promotes using fat for energy.* A proven weight loss enhancer used in more than 50 products throughout Europe, Svetol is a decaffeinated green coffee bean extract rich in chlorogenic acids.* In addition to its potent antioxidant properties, it has been shown to support healthy glucose (sugar) metabolism by delaying the absorption of glucose from foods.* When this happens, stored fat is released from the body's fat cells to help supply a needed energy source for everyday functions.*

Diet Start II: Colon Cleanse Formula is a potent cleanse made with rhubarb and cape aloe to support healthy bowel function, and magnesium to help hydrate the bowel.* Added FraxiPure®, a natural extract of the European ash tree, has been shown to help with healthy sugar absorption by the kidneys.*
