Peppermint (leaf) powder	†	Bromelain	39800 PU †
Bladderwrack	†	Lactase	100 ALU †
Atlantic wakame	†	Papain	38870 PU †
		Invertase	100 SU †
		Lipase	90 FIP †

*Daily Value (DV) not established.

Other Ingredients: Microcrystalline cellulose, beet (root) fiber, magnesium stearate, capsule (hydroxypropyl methylcellulose).

SUGGESTED USAGE: Take one capsule with or before the first bite of food. May also be sprinkled on food immediately prior to consumption.

KEEP OUT OF REACH OF CHILDREN. Consult a health care professional prior to use if you are pregnant, nursing, taking medication or have a medical condition.

The assay methods used to determine the units of activity are the exact methods and procedures as defined in the Food Chemical Codex. They should not be compared to other assay methods used for animal or pancreatic enzymes, or products that simply use weight measurements.

Storage: Store in a cool, dry, dark place. Do not refrigerate.
