

The combination of heart-healthy ingredients found in **Lipid Results** were carefully selected to include naturally-occurring substances which help promote the reduction of blood lipids such as LDL cholesterol and triglycerides. For optimum results, combine with regular exercise and avoid a diet high in dairy products and refined sugars. Consistent, ongoing usage will help to produce the best results and can help promote healthy blood lipid levels.[†]

Directions: Adults take three caplets, twice daily.

Warning: Consult your physician prior to using this product if you are pregnant, nursing, or have any pre-existing medical conditions.

- **Keep out of reach of children.**
- Protect from heat, light, and moisture.
- Store at 59-86°F (15-30°C).
- Do not purchase if seal is broken.
