

PULSATE plus

8 complete wellness blends
essential cardio nutrition

mind...body...heart

Dietary Supplement • 30 fl oz / 887 mL

Combining modern science with the miracle of traditional ayurvedic and herbal remedies, Pulsate Plus™ is the most innovative formula available worldwide.

This great-tasting nutritional supplement delivers the focused nutrition of eight complete wellness blends and the most advanced cardio enhancement formula on the market.

The concentration of nutrients, along with 800 mgs of NatraStatin™ plant sterols, may lower total and LDL Cholesterol and reduce the risk of Coronary Heart Disease¹. Pulsate Plus offers a good daily source of soluble fiber providing both digestive and cardio health benefits. Sea Buckthorn and carefully selected heart-healthy herbs and nutrients provide the perfect base for our scientific B vitamin and folate blend. These blends are specifically formulated in response to medical studies targeting elevated homocysteine levels—a leading health risk factor.

Pulsate Plus provides the nutritional answer to the high-energy demands of vibrant, health-conscious individuals, as well as those wanting to improve their *mind...body...and heart* health.

¹ When combined with a diet low in saturated fat and cholesterol, and taken as directed.

Directions: Shake well before using. Take 1/2 oz (15 mL) twice daily with a meal. Refrigerate after opening.

Warning: Consult your physician prior to using this product if you are pregnant, nursing, or have any pre-existing medical conditions.

Note: Color and taste of this product may vary due to its natural ingredients.

- Keep out of reach of children.
- Do not purchase if seal is broken.
