

Perfect Food® Super Green Formula has more greens per serving than other green food supplement formulas. Made with vegetable, sprout and organic cereal grass ingredients, one serving is equivalent to 140 grams of fresh grass juice to ensure your body receives the nutritional benefits of multiple servings of fruit and vegetables every day.[†] **Perfect Food® Super Green Formula** supplement contains 10 probiotic strains, delivering a one billion cell count[‡] per daily serving to support digestive health, and spirulina to support healthy immune function.[†] An excellent source of natural vitamin A in the form of beta-carotene and natural vitamin C, **Perfect Food®** is great for those who are unable to eat enough green foods. Select ingredients are produced through the Garden of Life proprietary Poten-Zyme® fermentation process to make the nutrients more available to the body.

CAUTION: As with any dietary supplement, consult your healthcare practitioner before using this product, especially if you are pregnant, nursing, anticipate surgery, take medication on a regular basis or are otherwise under medical supervision.

Store in a cool, dry place.
Do not use if safety seal is broken or missing.
Keep out of reach of children.

Contains no apple fiber, rice flour, artificial colors or preservatives.

Vegetarian.
This product is made with natural ingredients,
therefore color may vary from lot to lot.
