

Primal Defense® Kids is a combination of prebiotics and probiotics that supports normal bowel function and a healthy immune system.† This unique formula uses 3 *Bifidobacteria* strains that have been clinically studied in children and are found in a healthy child's digestive tract. The *Saccharomyces boulardii* in Primal Defense® Kids supports the normal ability of the intestinal cells to break down lactose, a milk sugar.† Inulin, a prebiotic, supports growth of friendly intestinal bacteria and maintains healthy calcium absorption to support your child's growth.† Most importantly, Primal Defense® Kids is made with a hint of natural banana, so kids will love the taste!

Suggested Use: Shake before each use. For kids 3 years or older, add 1/4 teaspoon to food or beverage once daily. May increase to 1/2 tsp. if desired. Use a clean, dry spoon.

Caution: As with any dietary supplement consult your healthcare practitioner before using.

Warnings: Severely immunosuppressed children should not use before consulting a physician.

Do not use if safety seal is broken or missing.

Store in a cool, dry place. Does not require refrigeration.

Contains no artificial colors, preservatives or sweeteners.
