

Perfect Food® RAW Wheat Grass Juice—High Potency, Instant Green Energy!

Our **CERTIFIED ORGANIC, NON-GMO, RAW** Wheat Grass Juice is one of the most nutritionally dense greens on earth, power-packed with naturally occurring nutrients including chlorophyll, beta carotene, vitamin C, B vitamins, amino acids, magnesium, potassium, manganese and betaine. Juicing our greens super-concentrates them. One serving of **Perfect Food® RAW Wheat Grass Juice** instantly delivers as much natural, wholesome green food energy as 13 one ounce wheat grass shots at a juice bar.¹

Perfect Food® RAW Puts the GREEN in Greens—More Chlorophyll in Every Serving

Our **CERTIFIED ORGANIC** Greens are sustainably grown by our family farmers here in the USA. We harvest before the grain buds (to prevent gluten from forming) and then juice at the farm immediately after harvest. Our juice is gently low temperature dried and powdered onsite locking in its nutritionally dense, organic goodness. The end result is highly bioavailable and many times more concentrated in nutrients, including Chlorophyll, than whole leaf grass powders, putting the **GREEN IN YOUR GREENS!**
