Highest Quality

HAWAII

PHARM

EXTRACT
Since 2015

Suggested use:

Shake well before using. For adults add about 20-30 drops (0.7-1 ml, one full squeeze of the dropper bulb) to 2-4 oz of juice or water, up to 4 times per day. Refrigerate after opening.

Caution:

We recommend to seek expert medical advice before taking. Do not use if you are allergic to any ingredients. Consult your physician before giving to children under 18, during pregnancy, if nursing or taking medications. May affect the ability to drive and operate machinery. Do not use if seal is broken or missing. May have contraindications. Can cause side effects and adverse reactions. Keep out of reach of children.

This product has not been evaluated by the FDA and is not intended to diagnose, treat, cure or prevent any disease.
