

MY GUARANTEE

Whatever your reason for choosing a plant-based protein powder, I'm confident that Plant JYM will deliver the taste and results you're craving. It's the smoothest, most delicious plant-based protein powder you've ever tried. Plus, Plant JYM's protein blend optimizes levels of the amino acids that are typically lacking in plant-based protein sources to help support muscle recovery, strength, and growth.* This is the plant-based protein powder for serious athletes like you and me.

INGREDIENTS: Plant Protein Blend (Pea Protein Isolate, Rice Protein Isolate), Natural Flavors, Cocoa Processed with Alkali, L-Leucine, L-Methionine, MCT Oil Powder (Medium Chain Triglycerides, Acacia Gum), L-Valine, L-Isoleucine, Silicon Dioxide, Sucralose, Acesulfame Potassium, Sunflower Lecithin.

Produced on shared equipment that also processes products that contain MILK, EGG, SOY, and TREE NUTS ingredients.

MORNING

BEFORE / AFTER
WORKOUTS

BETWEEN
MEALS

NIGHT

DIRECTIONS: As a dietary supplement mix one (1) scoop of Plant JYM in 6-12 oz. of water depending on your preference for thickness and texture.

For better results consume Plant JYM within 30 minutes before workouts and within 30 minutes after workouts. Also consider taking Plant JYM when you first wake up each day, between regular meals, or before going to bed to help maximize lean muscle mass gains.*

WARNINGS: Do not use as a sole source of nutrition. Check with a qualified healthcare professional before taking this product if you are pregnant, nursing, under the age of 18, or if you have any known or suspected medical condition(s) and/or are taking any prescription or OTC medication(s).

KEEP OUT OF REACH OF CHILDREN.

Store in a cool, dry place. Do not purchase if seal is broken or missing.

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

This product was produced in a GMP-compliant facility. Good Manufacturing Practices, or GMPs, are a set of standards which ensure the purity and proper labeling of dietary supplements.
