

Certified Organic Goji Juice *Lycium barbarum*

The berries of the goji plant (*Lycium barbarum*) have been treasured for centuries by the Himalayan people. The nutrient rich soil and fresh mountain air found in the Himalayan mountains help provide ideal conditions for the plants to blossom.

Goji was used in ancient recipes as a soothing yet powerful health promoting tonic. It is a natural source of trace amounts of minerals, enzymes, antioxidants, vitamins and amino acids. It also contains naturally occurring phytonutrients and unique polysaccharides.

Contains no added sugar, artificial color or preservatives. Due to the pure, natural ingredients in this product, taste, color and consistency may vary.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
