

PRODUCT BENEFITS: The Hawthorn plant is a source of bioflavonoids and other antioxidant chemical compounds. Hawthorn is traditionally used to help promote cardiovascular health by supporting blood vessels which supply the heart with vital oxygen and nutrients.*

Directions: For adults, take one (1) capsule three times daily, preferably with meals or follow the advice of your health care professional. Capsules may be opened and prepared as a tea. As a reminder, discuss the supplements and medications you take with your health care providers.
