

PRODUCT BENEFITS: Ginkgo biloba is a traditional plant extract for the nutritional support of brain function.* Ginkgo leaf extracts augment the vasoregulating activity of arteries, capillaries, and veins to maintain healthy circulation to the extremities.* Ginkgo also helps support memory, especially mild memory problems associated with aging.*

Directions: For adults, take one (1) capsule twice daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
