

PRODUCT BENEFITS: Inositol Hexaphosphate is derived from rice bran. Inositol is an essential component of cell membranes and plays an important role in cell growth and function.*

Directions: For adults, take two (2) capsules twice daily, between or before meals. Best taken on an empty stomach or follow the advice of your health care professional. IP-6 can interfere with mineral absorption and should be taken at a different time than other supplements. As a reminder, discuss the supplements and medications you take with your health care providers.
