

2-IN-1 Kidney & Liver Super Cleanse is a high-powered whole-body cleansing formula designed for the health conscious individual who is seeking robust 10-day detoxification support.*

This dynamic formula utilizes some of Nature's most prized liver and kidney supportive botanicals to encourage detoxification, and the removal of impurities by the kidneys and liver.*

Kidney Support*

• Stinging Nettle, Dandelion Leaf and Corn Silk Extracts are valuable botanicals used in traditional formulas that support the cleansing function of the kidneys.*

• PACran® is a powerful cranberry extract that has been clinically shown to support the health of the urinary tract while also helping to reduce urinary tract discomfort.*

• Fish Oil, Zinc, Magnesium and Potassium help to support the kidneys as they take on a heavy work load.*

Liver Support*

• Our Milk Thistle delivers over 240 mg of Silymarin per day for optimal liver support.*

• Artichoke, Barbary and Reishi Mushroom have a long history of traditional use in liver formulas. When combined with N-Acetyl-Cysteine (NAC) these nutrients give unparalleled support to the liver as it works to process accumulated toxins and impurities.*

Use periodically for intensive support to the body's detoxification pathways.* This product is not intended for ongoing daily use.

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Patented BioPerine® - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication, including heart medications, or have any medical conditions, including a history of kidney stones. Do not use if you have a bile duct obstruction. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
