

Brain Awake can help maximize your performance! This product is scientifically formulated to boost brain function and mental performance in healthy individuals.* It delivers key ingredients that have been shown to:

- Promote focus and mental clarity*
- Enhance performance on cognitive tasks*
- Support retention of information*

Unlike many products that give you a short-term boost, **Brain Awake** delivers supportive nutrients that can relax and nourish the mind.*

This balanced brain support product is ideal for students and working professionals... but is suitable for anyone that wants to optimize performance and productivity.* Use this product daily or as needed to support brain health.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.*
