

Deep Tissue Collagen-Pure® supplies intensive nourishment for the skin.* This advanced beauty formula is specially designed to help revitalize aging skin from the inside-out.*

The Science of Collagen: Collagen is a complex structural protein that makes up nearly 80% of the body's skin! It forms a mesh-like framework that gives strength, texture and shape to the skin, while helping to retain moisture within the deep dermal layers.*

During the aging process, collagen naturally breaks down and diminishes over time — resulting in dry, thin and less resilient skin.* *Loss of collagen is believed to be one of the primary causes of fine lines and wrinkles that occur in naturally-aged skin.**

Collagen Boosters: This product supplies 2,000 mg of hydrolyzed collagen per day to help replenish the body's supply of this vital nutrient.* In addition, the formula delivers a wide variety of nutritional compounds to enhance the body's internal production of new collagen.*

Skin Antioxidants: It also contributes powerful antioxidant activity to help protect the skin internally from oxidative stress and cell-damaging free radicals.*

† Coconut Water solids supply electrolytes. When you consume this ingredient with water it has a hydrating effect on the body.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Patented BioPerine® - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. This product contains natural caffeine.
