

Triple Shredder Body-Shaper* is a multi-pronged formula that delivers powerful botanicals and nutrients that support three key areas of physiology related to body-shaping:

- **Thermogenic Action Featuring Sinetrol™** – a powerful herbal preparation composed of extracts from three Mediterranean citrus varieties along with an extract from the berries of Guarana.[†]
- The combination of bioactive ingredients in Sinetrol™ has been clinically researched for its ability to metabolize stored-fat in the body including stubborn areas such as the belly, waist, and hips.[†]
- **Rapid Cellular Energy** – Medium Chain Triglycerides (MCTs) provide a quick source of cellular energy.[†] Due to their small molecular size, MCTs are rapidly absorbed into the body and transported to the mitochondria of cells where they are used to fuel cellular energy production[†]
- **Post-Workout Support** – This product provides 1,600 IU of Vitamin D3 per daily serving, plus a 2:1:1 ratio of BCAAs (Leucine, Isoleucine, Valine) to help support the elevated nutritional needs of an active and thriving body.[†]

Quality Assurance – Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility – Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine™ – Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.[†]

Usage Warnings: Do not use if safety seal is broken. This product contains an ingredient that may affect blood sugar. Check with your doctor before using this product if you are using medication or have any medical conditions. Do not use if you may become pregnant, are pregnant or nursing.
