

Triple-Diet Fat Reduction⁺ Max Accelerator combines three scientifically-researched ingredients to support healthy weight management.* When used in conjunction with a reduced calorie diet and exercise[†], the ingredients in this multi-action product can help you achieve your weight loss goals!†

Garcinia: This tropical fruit is native to Southeast Asia and India. It supplies a unique compound called HCA (hydroxycitric acid) that targets fat production in the body.* Research has shown that HCA inhibits a portion of the body's citrate lyase (an enzyme that converts carbohydrates into body fat).*

Caralluma: This edible cactus is native to India. It has been used as a food for centuries to curb the sensation of hunger.* Emerging research appears to support this historical usage and demonstrates its potential as a weight support aid.*

GreenSelect[®]: This decaffeinated green tea extract uses a patented "phytosome" technology to improve the bioavailability (absorption) of select phytochemicals.* It supports the body's antioxidant defense systems and can help reduce body weight.**

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Quality Assurance - Irwin Naturals[®] is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Patented BioPerine[®] - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication or have any medical conditions, including an iron deficiency, digestive disorder, a liver disorder or develop symptoms of liver trouble (such as abdominal pain, dark urine or jaundice). Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.

WARNING: (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.
