

Vision Sharp® Multi-Nutrient Eye Health*

Taking a proactive path toward slowing the compounding effects of age-related vision changes is the best way to enhance a keen sense of sight.* This combination of vision-specific minerals, botanicals and powerful antioxidants helps to protect and support eye tissue as you age.*

■ **Tissue Supporting Minerals:** Manganese and Zinc are necessary for the creation of connective tissue and support a healthy vascular system in the eyes.*

■ **Vision-Specific Antioxidants:** Vision Sharp® supplies antioxidants in two forms, as vitamins and carotenoids, to promote optimum vision health and protection.* The carotenoids, (beta-carotene, lutein and zeaxanthin), offer healthy nutritional support to the color and light determining center of the eye - the macula.*

■ **Botanical Support:** Preliminary research regarding the eye benefits of Bilberry began after WWII British Royal Air Force pilots reported improved night vision after consuming bilberries.* Bilberry extract supplies powerful compounds with antioxidant activity.* In addition, Ginkgo enhances vascular circulation.*

For added benefit, this integrative formula supplies Omega-3 fatty acids from Fish Oil to support whole body health, including eye health.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.*

Usage Warnings: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication or have any medical conditions. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
