

Yohimbe-Plus® Maximum Enhancement® supplies a standardized extract of Yohimbe tree bark, plus adaptogenic botanicals from around the world, including: Ashwagandha, Damiana, Eleuthero and Ginseng.* Overall, this formula is designed to help boost vitality and inner strength.*

Yohimbe has been used traditionally for hundreds of years. It is highly prized by African tribesmen and widely consumed for male invigoration.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - Our special BioPerine Complex enhances the bio-availability, absorption and potency of many nutrients.

Usage Warnings: Do not use if safety seal is broken. This product contains an ingredient that may affect blood sugar. Check with your doctor before using this product and engaging in activity, if you are using medication or have any medical conditions, including heart disease or high/low blood pressure. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.

WARNING: (State of California Prop 65) This product contains a chemical known to the State of California to cause birth defects or other reproductive harm.

**Powerful Formula
for Men who want to
Stay Active™**

100 LIQUID SOFT-GELS

DIETARY SUPPLEMENT

Full Disclosure Ingredient Panel

DIRECTIONS: (Adult) Take one (1) to three (3) Liquid Soft-Gels per day divided into two or more doses, e.g., one (1) or two (2) in the morning and one (1) in the afternoon with a full glass (8oz) of water. Do not exceed three (3) Liquid Soft-Gels in any 24-hour period. For a more immediate response, take one hour prior to activity. While the maximum serving size per 24-hour period is up to three (3) Liquid Soft-Gels, it is strongly recommended that you explore whether or not you can achieve results at a lower dose per day. You may benefit from a smaller dose because everyone has different sensitivities to these ingredients. Start with one Liquid Soft-Gel and build up to a maximum of three (3) per day only if needed. Take on an as needed basis. Not intended for daily use.

Supplement Facts

Serving Size: 2 Liquid Soft-Gels

Servings per Container: 50
