

Although there are many factors that contribute to the development of cellulite, preliminary research suggests that oxidative-stress and compromises in the architecture of the dermal layers of the skin play significant roles in its development.*

A Foundational Approach to Combating Cellulite*

At the heart of the **Cell-U-Thighs™** formula is **SOD B Dimpless™**—a dynamic melon concentrate obtained from a unique variety of cantaloupe melon, exclusively grown in the south of France. This ingredient is a potent source of Superoxide Dismutase (SOD), one of Nature's most powerful antioxidants.* Emerging research from a small human clinical study demonstrates that this ingredient is effective at reducing the appearance of cellulite on the thighs of women after only 28-days of supplementation.*

We've combined **SOD B Dimpless™** with targeted nutrients that support the health and maintenance of the dermal layers of the skin where cellulite originates.* Included in this formula is collagen-boosting Aloe Vera Gel concentrate, plus Hyaluronic Acid, Vitamin A, Vitamin C and Zinc to support the health and integrity of your most visible body part—the skin.*

Use **Cell-U-Thighs™** daily to maximize results.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.

Usage Warnings: Do not use if safety seal is broken. Check with your doctor before using this product if you are using medication or have any medical conditions. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
