Milk Thistle Liver Detox is specially formulated to support overall liver health, essential to the body's overall health.* The liver performs many crucial functions including detoxification, filtration of toxins from the blood and production of bile to help breakdown fats in the body.

Milk thistle has been used for thousands of years in traditional medicine to support liver health.* Emerging research suggests that this amazing plant has significant liver benefits.* The active compound in milk thistle is Silymarin. Milk Thistle Liver Detox uses a standardized extract that yields 80% Silymarin. This product also features powerful ingredients such as Dandelion extract, Turmeric and Schisandra, that have been used traditionally for the support of overall liver health.*

Milk Thistle Liver Detox can be taken daily to support liver function and detoxification pathways.* This product helps protect and promote liver health, to assist the body's natural detoxification process.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.
