

Prosta-Strong RED™ is designed for men who are looking for a natural way to support prostate health as well as blood flow.*

Prostate Support: This formula features Saw Palmetto extract, which supports the male genitourinary system, prostate health and promotes healthy urinary flow in men as they age.* Beta Sitosterol and Pumpkin Seed Oil supply natural fatty acids and plant sterols that deliver beneficial nutritional support to the prostate gland.*

Blood Flow Support: Nitric Oxide is a naturally occurring compound in the body that plays a key role in cardiovascular and sexual health. When Nitric Oxide is present in healthy males in sufficient amounts, erections occur during the normal course of intimacy.

This unique formula features L-Citrulline, an amino acid that is readily converted to L-Arginine within the body, which can then be converted to Nitric Oxide.*

Prosta-Strong RED™ can be taken daily for ongoing maintenance of prostate support and healthy blood flow, or as needed for a more immediate response prior to sexual activity.*

What makes us different:

Liquid Soft-Gels - The nutrients in these easy-to-swallow Liquid Soft-Gels are released fast. Other forms of delivery can contain binders and fillers that may cause stomach upset and offer no nutritional value. Advanced Liquid Soft-Gels provide an optimum delivery system.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Quality Assurance - Irwin Naturals® is committed to providing the highest quality products for your health. We employ compliance testing to ensure purity and potency.

Global Responsibility - Over the years we have donated to organizations that support the environment and the health of our children.

Patented BioPerine® - Our special BioPerine Complex enhances the bioavailability, absorption and potency of many nutrients.

Usage Warnings: Do not use if safety seal is broken. This product contains an ingredient that may affect blood sugar. Check with your doctor before using this product and engaging in activity, if you are using medication, including anti-coagulants (blood thinners), or have any medical conditions, including heart disease, high blood pressure, or hormone-sensitive conditions. Individuals with low blood pressure should not take this product. Do not use if you may become pregnant, are pregnant or nursing. Do not exceed recommended daily intake. Not intended for use by persons under 18. **KEEP OUT OF REACH OF CHILDREN.** Store in a cool, dry place.
