

PRODUCT BENEFITS: This remarkable product combines two popular supplements to nourish cartilage and promote joint health.* For weekend athletes and mature adults alike, Glucosamine Hydrochloride and Chondroitin Sulfate work to cushion and lubricate joints, promote range of motion and support connective tissue.*

Directions: For adults, take three (3) tablets daily, preferably with meals or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers. Note: you have the option of taking all three tablets together or spread throughout the day.

WARNING: If you are pregnant, nursing, taking any medications, including blood thinners, or have any medical condition, consult your doctor before use. Discontinue use and consult your doctor if any adverse reactions occur.

Individual results may vary.
