TESTROGAIN® RX-100 supports men's fitness by taking full advantage of elevated testosterone levels. Testosterone is the master male hormone responsible for sex drive, fat distribution, stamina and strength. Supplementing with TESTROGAIN®-RX-100 may support overall sexual health, natural energy levels and heart health.†

The complete scientific formula optimizes relative testosterone levels and triggers anabolic processes with a potent mixture of testosterone and luteinizing hormone (LH) boosters. TESTROGAIN® RX-100 also combines aromatase (antiestrogen) and dihydrotestosterone (DHT) inhibitors for maximum results.†

SUGGESTED USE: As a dietary supplement, take 3 capsules on an empty stomach 30 to 60 minutes before bedtime. As calcium may interfere with the absorption of zinc and magnesium, it is suggested that ZMA® not be taken with calcium-containing foods or supplements.

Warnings: This product is not intended for use by those with serious medical conditions. Not for use by women or children. Do not use this product if you have prostate cancer or prostate problems. Persons suffering from or at risk for any disease should consult a health care professional before using this product. **KEEP OUT OF REACH OF CHILDREN.**
