

SUGGESTED USAGE: Take 2 capsules twice daily, preferably with food, or as directed by your healthcare practitioner.

HOW IT WORKS: Ache Action™ is a blend of complementary herbs that may help to support a healthy response to normal physiological stress.* Maintenance of a normal balance of key immune mediators has been shown to play a key role in healthy cardiovascular function, as well as in joint health.* By helping to support a balanced response to these signals, the herbal components of Ache Action™ may assist in the maintenance of healthy joints and may help to relieve occasional minor pain resulting from overexertion or stress.*

CAUTIONS/INTERACTIONS: Some ingredients in this product may interact with a number of common prescription and OTC medications, including NSAIDs, anticoagulant/anti-platelet, and blood thinning medications. Consult physician if pregnant/nursing, taking medication, have a medical condition, or if planning any surgical procedures before using this product.

Natural color variation may occur in this product.
