

**SUGGESTED USAGE:** Take 1 capsule with a meal, or as directed by your healthcare practitioner.

**HOW IT WORKS:** Protocol For Life Balance® Enzymes-HCl™ is a comprehensive enzyme formula designed to support both gastric and intestinal digestive functions.\* The inclusion of betaine HCl helps to start digestion by the stomach and prepares the correct pH to stimulate intestinal function.\* A full spectrum of proteases further assists the intestine in the complete breakdown of food for enhanced absorption.\*

**CAUTIONS/INTERACTIONS:** Do not take on an empty stomach. Do not take in case of stomach or duodenal ulcers. If you are diabetic, consult your healthcare practitioner before using this product. Consult physician if pregnant/nursing, taking medication (especially blood thinners), or have a medical condition (including allergy to papaya, pineapple). Not manufactured with wheat, gluten, soy, milk, egg, fish, shellfish, tree nut or sesame ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.
