

Thank you for choosing Potassium Iodide by LIDTKE. We sincerely wish the best of health for you and your family. All profits go to the Lidtke Small Animal Foundation.

Potassium Iodide may be used to promote beneficial levels of iodide in the thyroid gland.* Iodide is readily taken up by the thyroid and may assist the body's detoxification process.*

LIDTKE takes pride in providing the very finest nutrients. All LIDTKE products are identity and purity validated in an FDA regulated facility. LIDTKE stands behind each product and guarantees customer satisfaction.
