

Vitalyze™ helps promote alertness, elevates healthy mood, and supports concentration and reaction time during exercise.* It also supports both the body's normal stress response and physical work capacity.* Vitalyze™ contains copper which may support healthy connective tissue, ligaments and tendons.*

Suggested Use: Take 1-3 capsules per day in the morning and/or afternoon, preferably after a light meal, 30 minutes before aerobic exercise or weight training. Wait 8 hours between servings and do not consume more than two servings per 24-hour period. It is not recommended for use in the late evening as it may cause sleep disturbance.

WARNING: Do not use if pregnant, nursing, or under the age of 18. Consult your doctor before using this or any dietary supplement, especially if you have or suspect you may have any medical condition or are taking any medications, including but not limited to MAO inhibitors or anti-depressants. This product contains caffeine and should not be used by those sensitive to stimulants. Do not consume caffeine or stimulants from other sources. Do not exceed recommended serving. Immediately discontinue use and contact your doctor if any adverse reactions occur. KEEP OUT OF REACH OF CHILDREN. Store in a cool, dry place below 30°C (86°F). To report any serious adverse events, please call 800-697-2086 or email info@snac.com.
