

Co-Defense® Formula is a multivitamin specifically designed for people who take macular degeneration supplements that are based upon the National Eye Institute's Age Related Eye Disease Study. To prevent taking unneeded ingredients already present in these eye supplements, Co-Defense® contains no Vitamin A, C, E, Zinc or Copper. Compared with other popular daily multivitamins, Co-Defense® contains more of the water-soluble B-Vitamins and Lycopene that are known to be of greater importance as we age.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

RECOMMENDED INTAKE: One tablet daily with meals.

KEEP OUT OF REACH OF CHILDREN

STORE AT ROOM TEMPERATURE

Tamper resistant package.
