

VisiVite Quench® TG-1000 is a nutritional formula made from natural ingredients that work together to strengthen healthy tears. A proprietary blend of 1,000 mg of Premier Triglyceride (TG) fatty acids from purified fish oil, flaxseed oil, sunflower oil and the natural COX2 inhibitor Curcumin strengthen lacrimal gland function and aqueous tear production. Phytosterols act as a vapor barrier to reduce tear evaporation and improve Tear Film Stability.*

DIRECTIONS: Take 2 softgels daily all at once, or 1 softgel twice daily with meals.
