

THE STORY OF WARRIORFORCE™

I have been into athletics all of my life. Not just "sports," but hard-hitting, muscle-pumping, heart-pounding, mentally-gruelling, endurance-testing sports... Warrior Sports. I would rather die than be denied my **Warrior Spirit** - that is just who I am! I am also hard-core into health! Unfortunately, sports "nutrition" products usually have nothing to do with actual health. They are notoriously UNhealthy, many of them downright toxic — ultimately contributing to a Warrior's demise. I am a Naturopath and Herbal medicine researcher, and have embraced a hard-core healing lifestyle for 26 years, during which I have seen Warriors who had healthy looking physiques degenerate and die much too soon (or die suddenly) due to their toxic diet, lifestyle and supplements. **NOT ANYMORE.** I have long envisioned the day when Warriors can be fueled by real food and 100% natural non-toxic superfoods. **THAT DAY IS TODAY.**

WARRIOR GREENS™

Compromise is not an option. Hype is nothing. Substance is everything. Every ingredient, including how it is grown and processed, is therapeutic. Extremely potent & comprehensive array of nature's most nutritive and cleansing superfoods. Contains a full spectrum of naturally occurring, absorbable and non-toxic vitamins, minerals, all the essential amino acids (protein), antioxidants, chlorophyll, soluble and insoluble fibers, tens of thousands of healing phytonutrients, and a plethora of other synergistically bound, organic nutrients. **NO** toxic, synthetic or isolated nutrients or compounds (not excreted as expensive yellow urine or stored as toxic deposits in your tissues). Green foods are perhaps the most healing foods on the planet, and the single most important addition you can make to your diet. Warrior Greens™ enhances your physical appearance and your performance, without sacrificing your health. Warrior Greens™ is Actual Food™. Whether you are a professional athlete or a "weekend warrior", this is the best possible green food you can get.

WHAT IS A TRUE WARRIOR?

It's easy to be an aggressive, selfish, mean, ass%&e! Just combine a bad attitude with some "roids" or take legal substances that imbalance your body and hormones. Then you are just a Barbarian. A True Warrior™ is kind (to others - even to non-warriors, kind to animals, and kind to the earth), unselfish, caring, and lives consciously by a code of ethics/honor such as Bushido (Samurai), or Chivalry (Knights), yet at the same time is completely willing to stand up for those who need it, & unleash a fury of appropriate force should battle be required. A True Warrior™ is conscious of all the choices made in life and open-minded. The world needs more True Warriors™. Are you a True Warrior™?

100% TruGanic™: Since the USDA now owns Organic, pesticides/poisons are allowed in Organic products under many circumstances! ...and many pure foods like wildcrafted herbs/superfoods are NOT considered organic, even if grown organically. 100% verified free of pesticides. Genetic Modification (Franken Foods), and irradiation. TruGanic™, on the other hand, is a pure, hard-core quality standard significantly beyond Organic standards, with actual verification via testing that Organic does not meet.

EcoFresh™ Nutrient Lock™: Our patented, with our unique, air-tight rubberized seal metal/diamond absorber protects 100% of nutrients (loses a year's worth). Glass is recycled/reusable, does not outgas, and does not melt down. Plastic bottles and metal foil pouches (not & not recyclable) dramatically degrade nutrient levels. Plastic outgasses & is highly toxic to melt down.

HOW TO TAKE WARRIOR GREENS™

Start with one teaspoon per day and increase gradually over two weeks to suggested usage of 1 to preferably **2 (or more) heaping tablespoons per day**, either all at once or divided. Do not take so much that you find it unpalatable, as you will end up taking and benefiting less! **Note: If babies and little children take this stuff (can and do), so can you!** Mix into purified water, with fresh vegetable or fruit juices (alone or blended with whole fruits and/or a banana into a smoothie). Not recommended to mix with dairy milks. Mixing with carrot juice may produce gas. Can also be sprinkled on or mixed with foods. Warrior Greens™ contains an extremely potent and comprehensive array of nature's most nutritive and cleansing superfoods, specifically grown and processed to maximize their benefits. If you experience temporary beneficial cleansing reactions that you find undesirable (such as loose bowels), reduce amount used to 1 teaspoon or less, and then increase over several days or weeks to 2 (or more) heaping tablespoons. Refrigeration is not required.

6 or more heaping tablespoons per day. Warrior Greens™ is food. It is not a supplement. It is a bio-compatible nutritional superfood™. It is non-toxic and can be taken in any quantity.

Stand Alone: Each WarriorForce™ product stands alone. However "Warrior Foundation™" is suggested together with this product for even greater benefits.
