

PRODUCT BENEFITS: Calcium is the major mineral responsible for the health of the body's bones and teeth.* Calcium intake is critical to achieving peak bone mass, maintaining muscle contractions, nerve impulses, and supporting heart health.* This unique formula also provides Magnesium and Vitamin D to aid in the absorption of Calcium and promote bone mineralization.* This Coral Calcium is mined, not collected, from an above ground source - making it environmentally friendly as it prevents damaging coral reefs.

Directions: For adults, take two (2) capsules daily, preferably with a meal or follow the advice of your health care professional. As a reminder, discuss the supplements and medications you take with your health care providers.
